

December 19, 1927.

Mrs. Thomas H. Tude,
Cordaville, Mass.

Dear Mrs. Tude:

The Town of Southborough has received a bill from the County of Worcester for board and care at Rutland Sanitorium for Thomas H. Tude from July 1st to September 30, 1927 - 13-1/7 weeks at \$7. a week, amounting to \$92.

If you are unable to pay this amount the Town is liable for the same but can collect from you if you have any money or property.

Kindly advise me of your position in the matter.

Very truly yours,

Dear Charles:

We have the following cases thru our Board of Health department for which the Town is paying various State or County and City institutions.

#15904 Cty. of Worcester, Div. Tuberculosis, Rutland Sanatorium.
 Thomas H. Tude. \$7.00 per week.
Under provisions of General Laws, Chapter 111, Sec. 78 to 85
 inclusive, also chapter 480, acts of 1924.

#4976 Westfield State Sanatorium, Westfield, Mass.
 Edmund Bean \$1.00 per day.

#197878 Comm of Mass. Dept. Pub. Welfare, State Infirmary.
 Maurice Quinlan, \$1.00 per day.

We receive from time to time from various City Hospitals, bills such as this one enclosed, under Chapter 213, Acts of 1902.

In connection with some of these bills, if these institutions look to the Town for payment, I wonder if it is not up to us to try and secure reimbursement from the particular patients, or the relatives etc., if at all possible. In the case of Joseph Bagley, I believe he has some property and should make an effort to pay this bill.

Will you consider these cases from a law point of view at your convenience and let me have your ideas as to how we syand on them.

Yours very truly,

Charles Bagley
